A National Security Organization

Space Coast Chapter
P.O. Box 410832
Melbourne, FL 32941-0832

Affiliate, National Defense Industrial
Association

January 6, 2017

Dear Friends,

The Space Coast Women In Defense (SCWID) has been working diligently to enhance Science, Technology, Engineering and Mathematics (STEM) in our Space Coast community since our inception in January 2013. On Friday, April 21, 2017 we will host our second annual Space Coast STEM Sandbaggers Invitational Golf Tournament at the Duran Golf Club, Viera FL. The main purpose of this event is to raise funds for Brevard County STEM programs.

We are seeking **sponsors, donations, and golfers** to support this worthwhile event. All proceeds generated from this event will be used to support/enhance STEM activities and programs in Brevard County, including:

- STEM Educators – internships, stipends, advance training, and special classroom projects – working with the Brevard Schools Foundation.
- STEM Talent – individual scholarship awards and funds to augment robotic programs and class field trips, e.g. I/ITSEC and Space Week.
- STEM Innovation – Cura Oceanus Autonomous Underwater Vehicle project – Inspire students by bringing real life engineering and science experience (RiverBot), or similar programs.
- STEM Awareness - conducting two special programs/presentations focused solely on STEM awareness

For a little background, SCWID was founded on January 21, 2013. Our chapter provides a great source for networking, professional development, and mentoring of women leaders on the East Coast of Florida. Brevard County is a unique area with rapidly expanding national defense industries and a very prevalent military presence. Taking advantage of this environment, our chapter specializes in creating STEM networking and professional development opportunities to promote the role of women in national defense & adjoining industry. Our mission also includes services and multiple opportunities to promote STEM education throughout the Space Coast.

The SCWID is a 501(c)(3), non-profit, professional organization that is an affiliate of the National Defense Industrial Association. Your contribution is tax deductible. For more information on our SCWID Charter, please visit our web site at <http://scwid.org/>.

Again, thank you in advance for your time and consideration of a sponsorship/donation for this event. Please register/sponsor our event by visiting our website at <http://scwid.org/golf-tournament-sponsorship/>. If you need more information you can also contact either Brian Jaskiewicz, Golf Event Co-Chair (bjaskiewicz@goscis.com) or Erica Harris, Space Coast STEM Council Chair, (STEM@SCWID.org or uva2bu@gmail.com).

Sincerely,

Susan Glasgow
President
Space Coast Women In Defense

Dear Sir or Madam:

We have received the information you recently submitted concerning your articles of merger of National Security Industrial Association into American Defense Preparedness Association, both District of Columbia Non-Profit Corporations, and your continuing exemption from Federal income tax under section 501(c)(3) of the Internal Revenue Code of 1986. The surviving corporation's name was changed to the National Defense Industrial Association.

The changes indicated in your letter of January 30, 1998, from Mr. Roger C. Ohlrich, explaining your merger which became effective on March 1, 1997, pursuant to your merger agreement of February 26, 1997, does not adversely affect your exempt status under section 501(c)(3) of the Code, and the determination letter issued to you in April 1988, continues in effect. You may rely on this letter until your exemption is terminated, modified, or revoked by the Internal Revenue Service.

Please let us know about any future change in the character, purpose, method of operation, name or address of your organization. This is a requirement for retaining your exempt status.

Thank you for your cooperation. If you have any questions you may contact the person whose name and telephone number are shown above.

Sincerely,

Paul M. Harrington
District Director
