

## Parent Frequently Asked Questions

### How can I register my son/daughter to participate in PGA JLG?

Contact Justin Blazer at Duran Golf Club to fill out the registration form and pay the entry fee of \$225 which covers the spring season. You will need to log on to the online site and register your golfer after speaking to Justin and receiving an access code.

### What does a player receive for their entry fee?

Each player will receive a PGA JLG team golf jersey, golf balls, flag stickers (after winning a 3 hole segment), and a PGA JLG bag tag. Players will also participate in 4 practices with PGA Instruction and play in 6 competitive matches on the Duran Championship Course and Par 3 Course.

### What ages is the PGA Junior League Designed for?

The PGA JLG program is designed for boys and girls 13 and under. Team Captains have the discretion to allow skilled younger players to play up on the team (the recommended age range is 9-13 though some 7 and 8 year olds play up if able). A player cannot be 14 years of age prior to August 1, 2018.

### How does my child get to his/her matches?

Just as in any recreational sports league, it is the responsibility of each participant's parent/guardian to get them to and from home and away matches during the regular season, and postseason matches.

**Will my son and daughter be using the same tee boxes?**

Yes. All participants tee-off using the same tee boxes, regardless of age or gender. These designated tees will be “youngster” friendly, and history shows that girls in this age group compete quite favorably against the boys.

**What does a competition consist of?**

Each competition is team vs. team format consisting of four 9-hole matches. The format for each match is a two-player scramble, divided into three 3-hole segments called “Flags”. Each “Flag” is worth one point, and alternates are allowed to sub in at the beginning of each new “Flag” (Holes 4 and 7). Players are assigned to a specific match at the beginning of the competition, and may play only within that match. It is also required that every junior play at least one "Flag."

**Will I be able to watch my son/daughter participate?**

It is highly encouraged for parents, family and friends join the team as they walk and play a 9-hole match. It is the responsibility of the Team Captain to have no less than 4 parents/adults per match as a "scorekeeper".

**How can I get involved with my son/daughter PGA JLG Team?**

Volunteers are appreciated in several areas of PGA JLG, please contact the Team Captain for Volunteer opportunities. (Match Monitors/Scorekeepers, Team-Mothers, Coaches)

**Will my child get to play in each match?**

Every player attending a PGA JLG competition will play in a match. Teams must have a minimum of 8 players to start a match. Each player in attendance must play at least one “Flag” (3-hole segment). Alternates will be allowed at the beginning of each new “Flag” (Holes 4 and 7). Players must stay with the original match they are assigned to.

**How long will each match take?**

Each match will consist of 9-holes of scramble play, and will last approximately 2.25 hours.
