I've been playing the Duran Tuesday group for 8 years and going, and to say the least it's helped my game tremendously. Great group of guys and good players as well.

- \$2 draft beer (Miller or Bud Lite) and snacks.
- Last Tuesday of each month, entry fee increased to \$50 (\$30 for birdies and closest to the pin, and \$20 for skins). On this Tuesday, Duran will provide complimentary wings.

**Robin Byrd**, Champions PGA Tour Player

I love the Birdie Game at Duran, it helps keep my game sharp and it's a great group of guys. I love the finishing holes at Duran, the par 4 18<sup>th</sup> is a great way to finish and could be the best par 4 you have ever played.

The Tuesday game gives me a chance to keep my game sharp and enjoy a great group of guys. The format is ideal as it allows players of all skill levels and ages to compete while using different boxes for different ages and abilities.
